How to Access TESSA

Quick guide for new users

TESSA helps SMEs understand and prepare for compliance under the EU AI Act. Use Microsoft 365 Copilot to open TESSA and start asking questions.

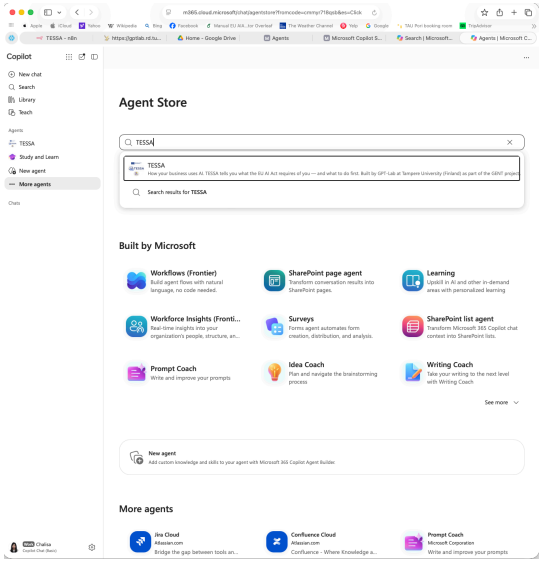

Option 1 — Direct access

1. **Open TESSA using this link:** Open TESSA in Microsoft 365 Copilot
2. Sign in with your Microsoft 365 account if requested.

Option 2 — Find TESSA in Microsoft 365 Copilot

1. Open **Microsoft 365 Copilot.**
2. Select **Agents** / **More agents.**
3. Search for **TESSA.**

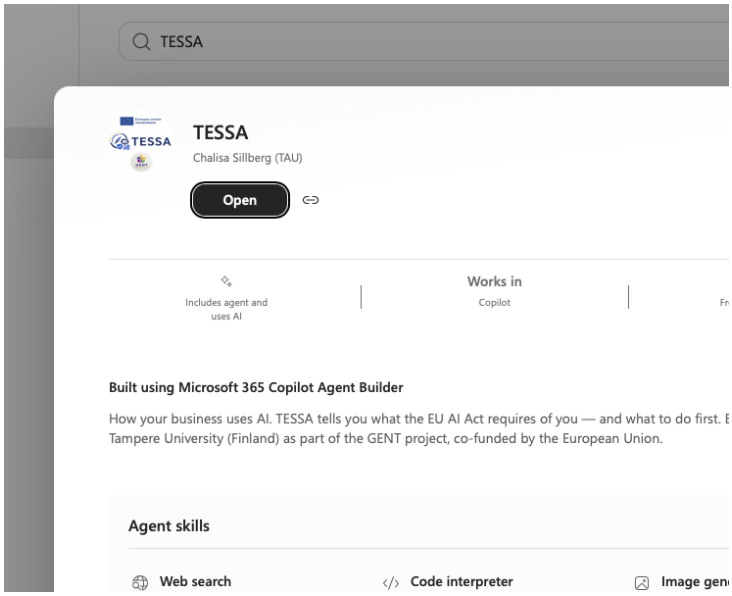

Search for TESSA in the Agent Store

Type your question in Message TESSA

4. Select **TESSA**.

5. Click **Open**.
6. Type your question in **Message TESSA**.

For example, 1: *We use AI to screen job applications. What should we consider under the EU AI Act?*

TESSA will provide practical guidance based primarily on *Navigating Compliance: Strategic Guidance for SMEs under the EU AI Act*, together with its configured supporting knowledge and approved regulatory updates.

For example, 2: What is the latest EU AI Act update?

TESSA will retrieve the **latest approved EU AI Act update** from its controlled regulatory update source and provide key information such as the update title, summary, source, publication date, and source link.

> **Latest EU AI Act Update**
>
> **Title:** Digital Omnibus Regulation Proposal
> **Summary:** Main benefits of the AI Omnibus for SMEs. The AI Omnibus entered into force across the EU on 27 July 2026. Its main benefits for SMEs include….
> **Source:** Artificial Intelligence Act EU
> **Published date:** [Date]
> **Source link:** [Link to the original source]
>
> This information is retrieved from TESSA's approved regulatory update source.

Note: TESSA provides practical guidance and educational support. It does not provide legal advice. Access through Microsoft 365 may depend on your organization's account and permissions.

Option 3 — Quick access on mobile

For quick questions, TESSA can also be opened directly in a mobile web browser such as **Safari or Chrome**. No Microsoft 365 sign-in is required.

Option A: Scan the QR code with your phone camera.

Option B: Open the **TESSA Demo Website** link directly.
